

Southern Tioga Marching Band

Uniform Contract 2011-2012

Your student is being issued a uniform for the 2011-2012 school year. The following items are included with this...

- Jacket
- Pants
- Hat (in box)
- Garment Bag

The uniform is being issued in good dry-cleaned condition. If it ever requires dry-cleaning during the season, this is the student's responsibility! UNIFORMS ARE NOT MACHINE-WASHABLE. If damage to the uniform occurs, notify the uniform committee or Mr. Ruth immediately – DO NOT TRY TO FIX IT YOURSELF! Please note the following policy items regarding uniforms...

- Uniforms should remain hung on hangers at all times! If the uniform gets wet, hang it on a hanger with the bag open (or remove uniform from bag until it is dry.)
- Uniforms should always be transported in garment bags!
- Hats should always be transported in boxes!
- If jacket is ever removed at a show without a hanger available, it should be folded inside out when laying it down.
- JEANS may NOT be worn under the uniform! Long johns or other similarly thin undergarments may be worn under the pants or jacket in cold weather but ONLY if it doesn't "show" at the bottom of pants or sleeve cuffs.
- HAIR must be worn up inside hat when hat is used. Be prepared to pin or tie hair if necessary!
- Black marching shoes (speedsters) with BLACK SOCKS are a required part of the uniform.
- Uniforms will be cleaned by the band aides between seasons – but if any spills occur during the season, it is the student's responsibility to get the uniform drycleaned and back before the next performance!
- Any questions – contact Mr. Ruth at 404-0232 or jruth@southerntioga.org

All students must sign an agreement to this document in order to receive their uniform!
